On the day of the last Presidential election, a protracted meeting was in successful progress at the Methodist church in the village of P——, in one of the border counties of Virginia. The minister in charge, the Rev. Mr. T——, was a Democrat, and a very warm partisan for a minister of his latitude. Evening services were far advanced, when N——, who had, in the excitement consequent to the day, forgot his temperance pledge, entered the church, took a seat near the door and soon inclined his head for a snooze. During the exhortation to the anxious to come to the altar and receive the prayers of the church, the good preacher (for he was a good man,) mistaking the appearance of N—— for one under the influence of the *spirit,* (nor was he far out of it,) approached him in his search for mourners, and whispered in N——'s ear, "Will you not come forward and join us?" "N-o," was the laconic, but half smothered reply. "Come forward and join us," earnestly whispered the anxious shepherd. "N-e-v-e-r!" thundered N——. "I am an oldline Whig, and shall live and die one." This reply was received with suppressed merriment by the congregation, while the minister retraced his steps to the altar, the picture of despair, doubtless mentally ejaculating that N—— was joined to his idols.

At a hotel in New York, recently, an old gentlemen came down stairs and inquired of the clerk whether he had any tallow candles. Being informed that he could be supplied with tallow dips, the old gentleman said: "Then I wish you would give me some; I want something I can *blow out,* for I've been blasting away at that cursed jigger in my room till I've no wind left."

GREENE ON THE CLERGY.—Clerical talent has discovered that the cause of the defeat at Bull's Run was owing to the fact that the engagement took place on the Sabbath! Obtuse minds will fail to discover wherein it is worse to fight battles than to preach war on the Sabbath.—*Boston Post.*

In the Circuit Court of the State of Oregon for Multnomah County. A. M. A. Blanchet, Complainant, vs. Oswald Travaillot, Defendant. In Chancery.

TO OSWALD TRAVAILLOT, Defendant: You are hereby notified that A. M. A. Blanchet has this day filed in my office his bill of complaint, and commenced a suit against you, in which he claims that on the [illegible] day of June, A. D. eighteen hundred and fifty-seven, you made and delivered to him a certain promissory note for the sum of six hundred dollars, payable ten months after date, with interest at the rate of two per cent. per month, and at the same time made, acknowledged and delivered a certain mortgage deed upon lots numbered three and four in block number three, in Couch's claim or addition to the City of Portland, in the county aforesaid, as security for the payment of said note; and complainant prays for a decree of foreclosure, and for the sale of the said mortgaged premises to pay the amount due upon said mortgage, to-wit: The sum of six hundred dollars and interest as aforesaid since the twentieth of September, A. D. eighteen hundred and fifty-nine, and for a judgment against you for any balance which may remain unpaid after the application of the proceeds of the sale of said property for the payment of said debt; and you are further notified that unless you appear in the Circuit Court of the State of Oregon for the County of Multnomah on the second Monday of November, A. D. 1861, and then and there answer the said bill of complaint, the same will be taken as confessed, and the proper thereof will be granted by the Court.

{ L. S. } In witness whereof I have hereunto set my hand and affixed the seal of this Court this 12th day of August, A. D. 1861.

[illegible] ment had perpetrated no act inimical to the South; but, on the contrary had executed the Fugitive Slave law, and every other act designed for its benefit better than Mr. Buchanan had ever done, Mr Lincoln's political friends claim that the system of detraction pursued by certain so-called Union papers,—of which the S. F. *Herald* is the type—is all that can prevent them from uniting cordially with Union Democrats Or to be more perspicuous, as they are not conscious of violating any of the constitutional obligations which they owe to the country or any section of it, that they cannot co operate with men who attempt to throw the odium of the present unfortunate war upon them. While in a minority they have as an organization been in favor of law and order, and have cheerfully submitted to political defeat, and to partisan abuse and misrepresentation entirely unparalleled in the history of the world — They cannot forget that the freedom of speech now so feelingly asked by traitors, was denied to them in California. Only five years ago in the town of Sacramento, a Republican speaker, venerable from age, and venerated for his private worth, was dragged from the *rostrum*, and his gray hairs spattered with mud by men of the same stamp with those who are now crying "peace." We have this much to say for the Republicans, that while they asked for freedom of speech they never asked for peace—we can say it with pride.—We have said that we do not *forget* the past, but we can say cheerfully, that we hold no rancor about it.

In the face of the question of national life or death, party animosities, the intolerance of sects, the mean and cowardly persecution born of long continuance in office, the toadying to the pro-slavery conspirators, and all that might keep Union Democrats and Republicans apart, sink into nothingness Before a question so important, so absorbing, party creeds, the advantages of official station and all that sweetens party triumphs, should be forgotten.

Those heretofore known as Republicans expect that the doctrines enunciated by the obnoxious Union papers (!) mentioned, shall not constitute the terms of co-operation between them and the Union Democrats; but that a true accord as to the means of saving the country may be the basis of union. And further, that there should be an agreement as to the means to be employed, and the terms on which it is to be saved.

MADE A MISTAKE.—M. T. Turner, late editor of the *Arizonian*, offered his derringers for sale on retiring from the control of that journal, "they being of no further use to the present owner" Since then the poor fellow has been murdered while unarmed He parted with his pistols too soon.

"GONE NORTH"—The Yreka *Journal* says that the returns of the election for Adams Creek, in that county were put into the hands of one of the miners for the Nez Perces who forgot to leave them at Yreka, and that they are now on the way to Oro Fino The miner was a "one idea" gentleman

CALIFORNIA LEGISLATURE.—The Republicans have a large majority in the California Assembly, and so far as heard from the Senate is about a tie, but the opposition count with certainty on having a majority in that body when all the returns are in

The California election has had some effect on our neighbor He declares he is not a Secessionist—the first time such a note was ever sounded by the *Advertiser*. "By their fruit ye shall know them"—and not by professions

AFFRAY—An affray occurred last week near St Louis, Marion county between Thos Smith and Henry Wehren Smith struck at Wehren with a knife, inflicting a wound under the arm. Wehren then struck him with a pitchfork an overhand blow, breaking his wrist A justice of the peace interfered and neither party sustained very serious damage —*Statesman*.

SUICIDE—Mrs Davis, a widow lady of Polk county, committed suicide about a week ago by drowning She was living with her son in-law. She got up in the night and went barefooted, as indicated in the dust, to a deep pond a short distance from the house and plunged herself in The body was found immediately.—*Statesman*.

WASHINGTON, August 26th—Orders have been forwarded to-day to the United States Pension Agents to administer the oath of allegiance to all persons drawing pensions.

A number of the leading financiers, including the presidents of some of the New York banks, now in Washington, urge the President for certain changes in conducting the war. They propose Government, with an immense force, to cause the rebels to abandon their attack on Washington City, by making counter attacks on various points south of the State

Department will not issue passes for any body to pass from loyal into rebel States.

Since the passage through Louisville was stopped, the demand for passes has been very great Most of the applicants are women who have been living North It is stated that on the 20th August was the time the rebels anticipated being in possession of St Louis The remains of Gen Lyon arrived at New York at 1 o'clock P M, August 21st, escorted by a guard of honor to the city Hall $40,000 belonging to the rebels, was seized yesterday at the Park Bank Government has removed the interdiction against the circulation of the *Journal of Commerce*, over Mail and Express routes of the United States It has changed hands Surveyor Andrews seized on 24 inst, 20 vessels owned wholly or partially by rebels, including 8 ships and 2 barks

CITY.

Arrived.—The steamer *Sierra Nevada*, Capt. Wakeman, from Victoria, Sept 17, arrived at half past seven yesterday, having on board the captain and crew of the brig *Perseverance*, sunk at sea Sept. 14th, and the following passengers: E Harris, Capt Myrick, Mrs Davis, H. D. Green, W Moltthrop, Capt Burns, brig *Perseverance*, Mate Sinclair, brig *Perseverance*, and 100 others.

The *Sierra Nevada* brings us Victoria papers of the 17th. We observe that the last weekly express from Cariboo brought down $12,000. Our last weekly express from the Nez Perces brought $110,000.

Improvement.—Messrs. Couch & Flanders have placed five gas lamps on their wharf. These will be a great public convenience on dark nights, when people wish to go on board or leave the steamers. Gentlemen, you have done a good thing.

Shipping.—The bark *Industry* arrived at San Francisco, Sept 10th, in five days from the Columbia river, and the bark *Samuel Merritt* sailed same day for this port.

The Ladies Fair held at the Metropolis night before last, was well attended. It was a very pleasand entertainment for our people. Financially, we suppose it was a success.

Arrival of the Carrie Ladd.—Last night the *Carrie Ladd* brought down to Vancouver, military supplies from Walla Walla, which are to be sent to San Francisco.

Col. Wright, we understand, is to leave in the *Sierra Nevada* for San Francisco. The people of this coast will hear with heartfelt regret the departure of this faithful officer and good soldier.

We are indebted to the gentlemanly messenger, Morgan, of Wells Fargo & Co.'s Express, for repeated favors.

Oregon City Items.—The Oregon city ladies are fixing up articles for the State fair.

Several miners have returned from Oro Fino minus "the dust."

It is said that the steamer now being built at Canemah for the Yamhill trade, will be completed in six weeks.

One farmer near Oregon city is anxious to sell his farm, on which there is a fine orchard, and move to Washington Territory. He thinks it a great privilege to live where claims can be had fresh. He's right.

On Monday evening a Union man captured a Secessionist under exciting circumstances. A parson was called in, who happily settled the matter. All parties were satisfied. Torpedoes were fired in joy at the happy termination of the affair.

Potatoes are worth more by the bushel in Oregon city than apples. Some farmers are thinking of working up their surplus fruit into cider, and that, if not called for into vinegar. Capital idea.

The frame of the new ware house, to be erected on the site of that burnt recently at Oregon city, will be raised in a few days. It is hoped that the building and the arrangements for raising and passing goods and produce will be completed in two months.

The Willamette Woolen Mill is to be greatly enlarged the present Fall. We are glad to notice this evidence of the prosperity of the first Woolen Manufactory in Oregon.

MARRIED:

In Oregon City, Sept. 16, by Rev. G H Atkinson, Mr. D. W. Craig and Miss Wealthy L. Waterous.

Nobody is to suffer with RHEUMATISM or GOUT when every body knows that DR. ADOLPHUS' ANTI-RHEUMATIC CORDIAL is a sure cure, without fail.

For sale by SMITH & DAVIS, Agents, Portland, and by Druggists generally.
mar19d6m DR. H. ADOLPHUS, San Francisco.

Hostetter's Celebrated Stomach Bitters—A specific for dyspepsia, diarrhea, dysentery, general debility, chills and fever, liver complaint, bilious remittent fevers, and the pains and weakness which creep upon us in old age. For these ailments we quietly invited a trial and a verdict. The trial has come off, the verdict has been rendered, and the Bitters are to-day the most popular remedy for the time they have been in existence, in this or any other country. It lives and continues to thrive and increase in popularity with marvelous rapidity, simply because the world wants it, will use it, cannot do without it. The dyspeptic demands it as his only help, the victims of diarrhœa or dysentery believes in it, the billious sufferer dare not let the bottle run out before he gets another. Both sexes, all ages, all classes, regard it as the most wonderful invigorant ever compounded. Hence the enormous demand.

Sold everywhere by Druggists, Liquor Dealers, and Grocers.

The Medical and Surgical Institute of DR. L. J. CZAPKAY is already secured in a position which places it, as well as its proprietor, far above the assaults of envy and professional malice. In the schools of France the highest prizes are often awarded to practitioners in this department of medical science, and they occupy, with others, an equally lofty position in the profession. Ricord is an illustrious example, a shining light among the philosophical minds of his age in Europe, and Dr. Czapkay has fairly equalled him in this country. As a proof of which the Philadelphia College of Medicine complimented him with a Diploma and the honorary ad eundem degree. Selecting this as his field of operation, although qualified as a graduate of the University of Pesth, and late Chief Surgeon of the Hungarian Revolutionary army, for more extended labors, Dr. L. J. Czapkay has bent his earnest attention to the cure of chronic and private diseases, in which he has become so great an expert, that he is now regarded as the LEADER in this branch of his profession throughout the United States, and his portrait and biography are published as matter of interest to their readers in the most exclusive journals. The Doctor's offices are at his Medical and Surgical Institute on Sacramento street, corner of Leidesdorff, nearly opposite the buildings of the Pacific Mail Steamship Company, San Francisco. We ask particular attention of our readers to the sworn certificates of remarkable cures, in another column of this paper. Persons not wishing to lose time in corresponding, please enclose $10 in their letters, and they will get immediate attention to their cases. Address, L. J. CZAPKAY, M. D., San Francisco, Cal.

Opposite Pacific Mail Steamship Company's Office, San Francisco

ESTABLISHED IN 1854 FOR THE PERMANENT cure of all Chronic and Private Diseases, and the SUPPRESSION OF QUACKERY. Attending and Resident Physician, L. J. CZAPKAY, M. D. Late in the Hungarian Revolutionary War, Chief Physician to the 20th Regiment of Honveds, Chief Surgeon to the Military Hospital of Pesth, Hungary, the late Lecturer on Diseases of the Genito-Urinary Organs and Diseases of Women and Children, and Honorary Member of the Philadelphia College of Medicine.

☞ Particular attention paid to the treatment of diseases peculiar to Women and Children.

Office Hours—from 9 A. M. to 9 P. M.

☞ Communications strictly confidential. Permanent cure guaranteed, or no pay. Consultations, by letter or otherwise, FREE.

Address DR. L. J. CZAPKAY, San Francisco.

Of all diseases the great first cause
Springs from neglect of Nature's laws.

To the Afflicted:

Suffer not when a cure is guaranteed in all stages of secret diseases—Self Abuse, Nervous Debility, Syphilis in all its stages, Strictures, Gleet, Gravel, Diabetes, diseases of the Kidneys and Bladder, Mercurial Rheumatism, Scrofula, Pains in the Bones and Ankles, diseases of the Lungs, Throat, Nose and Eyes, Ulcers upon the Body or Limbs, Cancers, Dropsy, Epileptic Fits, St. Vitus Dance—and all diseases arising from a derangement of the sexual organs, such as Nervous Trembling, Loss of Memory, Loss of Power, General Weakness, Dimness of Vision, with peculiar spots appearing before the eyes, Loss of Sight, Wakefulness, Dyspepsia, Liver Disease, Eruptions upon the Face, Pains in the Back and Head, Female Irregularities, and all improper discharges from both sexes. It matters not from what cause the disease originated, however long standing or obstinate the case, recovery is certain and in a shorter time than a permanent cure can be effected by any other treatment, even after the disease has baffled the skill of eminent physicians and resisted all their means of cure. The medicines are pleasant, without odor, entirely vegetable, causing no sickness and free from mercury or balsam. During fifteen years of practice in Europe, the Atlantic States and California, I have rescued from the jaws of death many thousands, who, in the last stages of the above mentioned diseases had been given up to die by their physicians, which warrants me in promising to the afflicted who may place themselves under my care a speedy and permanent cure. [illegible] are the greatest enemies to health, as they are the first cause of consumption, scrofula and many other diseases, and should be a terror to the human family. As a permanent cure is scarcely ever effected, the majority of cases falling into the hands of incompetent persons, who not only fail to cure the disease but ruin the constitution, filling the system with mercury, which, with the disease, hastens the sufferer into a rapid consumption. But should the disease and the treatment not cause death speedily, and the victim marries, the disease is entailed upon the children, who are born with feeble constitutions, and the current of life corrupted by a virus which betrays itself in scrofula, tetter, ulcers, eruptions and other affections of the skin, eyes, throat and lungs, entailing upon them a brief existence of suffering, and consigning them to an early grave.

Self-abuse is another formidable enemy to health, for nothing else in the dread catalogue of human diseases causes so destructive a drain upon the system—drawing its thousands of victims through a few years of suffering down to an untimely grave. It destroys the nervous system, rapidly wastes away the energies of life, causes mental derangement, prevents the proper development of the system, disqualifies for marriage, society, business and all earthly happiness, and leaves the sufferer wrecked in body and mind, predisposed to consumption and a train of evils more to be dreaded than death itself. With the fullest confidence I assure the unfortunate victims of self-abuse that a permanent and speedy cure can be effected, and with the abandonment of ruinous practices my patients can be restored to robust, vigorous health.

The afflicted are reminded that all diseases of males and females treated on principles established by fifteen years of practice and sanctioned by thousands of the most remarkable cures. Medicines, with full directions, sent to any part of the State, Oregon and Washington Territory, by patients communicating their symptoms by letter.

All business correspondence strictly confidential. Address DR. L. J. CZAPKAY'S Medical Institute, Sacramento street, below Montgomery, opposite Pacific Mail Steamship Co.'s Office, San Francisco.

Remarkable Instance of Medical Relief.

Below we publish the certificates of three of the sufferers from the [illegible] who, having recovered their former health, and impelled by gratitude, [illegible] their cases and remedial agent, and their [illegible] authenticated by a Notary Public. These [illegible] imperiously command their publicity, and we [illegible] their perusal to the attention of all afflicted.—

Certificate.—The undersigned, desirous of [illegible] those who may be unfortunate enough to be [illegible] in the same manner a permanent relief of their suffering [illegible] obtained, feels it his duty to thus publicly express his sincere gratitude to Dr. L. J. Czapkay, for the [illegible] recovery of his health. Borne down by the [illegible] symptoms incident to the vicious practices of [illegible] passion in youth; depressed in body and mind, [illegible] to perform even the most trifling duty imposed [illegible] ordinary avocations of life, I sought the advice of [illegible] doctors, who at first regarded my disease as of [illegible] portance—but alas, after a few weeks, and in [illegible] stances months of their treatment, I found, to my [illegible] and horror, that instead of relief, my symptoms [illegible] more alarming in their torture; and being told [illegible] my disease being principally confined to the brain, [illegible] would be of little consequence, I despaired of ever [illegible] my health, strength and energy, and as a last [illegible] with but a faint hope called upon Dr. Czapkay, [illegible] examining my case, prescribed some medicines which [illegible] instantly relieved me of the dull pain and [illegible] head. Encouraged by the result I resolved to [illegible] immediately under his care, and by a strict [illegible] his directions and advice my head became clear, [illegible] ideas collected, the constant pain in my back and [illegible] weakness of my limbs, the nervous reaction of my [illegible] body on the slightest alarm or excitement, the [illegible] and evil forebodings, the self distrust and want of [illegible] in others, the incapability to study, and want of [illegible] the frightful exciting and at times pleasurable [illegible] night followed by involuntary discharges, have [illegible] ceded, and in fact in two months after having [illegible] the doctor I felt as if inspired by a new life—that [illegible] but a short time ago I contemplated to end by [illegible] hand. With the view to guard the unfortunate [illegible] into the snares of incompetent quacks, I deem it my [illegible] offer this testimony to the merit and skill of Dr. [illegible] and recommend him to all who may stand in need [illegible] aid, being assured by my own experience, [illegible] under his care a radical and permanent cure will be [illegible]
